

“Metabolomics at the Swammerdam Institute for Life Sciences”

Programme

15:00 Introduction

Dr Gertjan Kramer

Swammerdam Institute for Life Sciences, University of Amsterdam

15:15 Data Driven Design – Combining Biological Experimentation with Computational Modeling for Plant Resilience

Anna Neefjes & Jordan Earle

PhD candidates at Swammerdam Institute for Life Sciences, University of Amsterdam

15:45 Exploring Foundation models of MS2 spectra

Johan Westerhuis & Frans van der Kloet

Swammerdam Institute for Life Sciences, University of Amsterdam

Thursday
25 June
15:00-16:30
